Q3) Some people feel that values keep changing with time and situation, while others strongly believe that there are certain universal and eternal human values. Give your perception in this regard with due justification.

Ans) Values are individual beliefs that guide our behaviour and define who we are. They help us to determine what is important to us. Values reflect individual behaviour, decisions and choices.

Some examples of values are -

Honesty, Kindness, Compassion,
Respect, Integrity, perseverance etc.

Factors which are responsible for change in values -

(i) People's values tend to change over time.

(ii) Parents and society also responsible.
